SUBJECT: Notice of Intent to Petition Grant of Exception to Discharge Prohibition, James V. Fitzgerald Marine Reserve

1. In accordance with California Ocean Plan, Section III.I.1, Vandenberg Air Force Base (AFB) hereby petitions for grant of exception to waste discharge prohibition dated 18 Oct 04, for stormwater discharges into James V. Fitzgerald Marine Reserve Area of Special Biological Significance (ASBS). It is our conviction that stormwater discharges originating at Pillar Point Air Station, San Mateo County will not compromise protection of ocean waters for beneficial uses, and the public interest will be served.
2. Please provide this office with information necessary to accomplish a grant of exception including: exception application workshop time and location, exception request public hearing, California Environmental Quality Act compliance requirements, and U.S. EPA concurrence. Please send all future documentation and notices regarding this matter to Mr. Garry Sanchez, Water Resources Program, who can be reached at (805) 606-7541.
